

## Falmec Warranty Information For Residential Use Only

### ONE-YEAR PRODUCT & PARTS WARRANTY

For one year from the original date of purchase the Falmec product and parts, warranty covers all parts and labor to repair or replace the product, under normal residential use, any part of the product proving to be defective in material or workmanship.

Falmec warranty will repair or replace any parts at no cost to the consumer if material defects or workmanship caused the damage or failure of these components.

This warranty is valid on only the 50 continental states of the U.S.A. and the country of Canada.

**This warranty applies to the original purchaser only and is non-transferable.** All service provided by Falmec on the stated warranty must be performed by a Falmec authorized servicer, unless otherwise specified by Falmec. This service would be provided during the regular business hours of each specific region.

This warranty applies only to products installed for normal residential use and does not apply to commercial use. This warranty only covers service performed at the location of product installation and will not cover costs associated with repairing off-site unless expressly authorized by Falmec nor does it cover the travel costs associated with providing service to remote locations. Remote locations are defined as being outside the established territory of the assigned service company. This warranty does not cover any parts or labor to correct any defect caused by negligence, transport, delivery, installation, accident or improper use, maintenance, installation, service or repair.

The warranty will be valid and effective only upon presentation of the document stating the **purchase date of the appliance, and more specifically of the relevant invoice, proof of purchase, or equivalent document showing the name of the seller, the delivery date and the identification data of the appliance.**

(Such as Model Number, Serial Number). In the case of new product being included in the purchase of new residential construction: **this warranty applies to the original resident of the location** containing the Falmec product, and warranty coverage will begin on the date of occupancy of the residence (proof of occupancy required) to a maximum additional six months from the date of purchase of the product by the development company from the distributor or dealer.
