

WARRANTY TERMS

The manufacturer's liability and warranty

The user, in order to use the warranty provided by the manufacturer, must strictly observe the precautions listed in the manual and in particular:

- always operate within the limits of use of the equipment;
- always carry out constant and thorough cleaning and maintenance;

The Manufacturer cannot be held directly or indirectly liable for causes due to:

- use of the equipment other than that stated in this manual;
- use by personnel who have not read and understood the contents of the manual;
- use not conforming to specific regulations in force in the country of installation;
- changes made on the device, the software, the operating logic, if not authorized by the Manufacturer in writing;
- unauthorized repairs;
- exceptional events.

The sale of this equipment to a third party also includes the delivery of this manual; failure to deliver the manual automatically voids all the purchaser's rights, including the warranty terms as applicable if the equipment is sold to third parties, in a country with a different language from the one indicated in this manual, the original user must provide a faithful translation of this manual in the language of the country in which the equipment will operate.

Warranty terms

IRINOX SPA guarantees the equipment for a period of twenty-four (24) months from the date of invoice. The warranty covers any defects in construction or assembly. IRINOX SPA will replace or repair any part that is, even in his judgment, defective, without charge at its factory, carriage free. If you request the Manufacturer's technician for repairs (or authorized person) at the user's premises, it is understood that the transfer fees, board and lodging, shall be borne by the user.

The recognition of the free supply of parts under warranty is always subject to review by the Manufacturer (or person authorized by the same) of the defective part.

It does not include the extension of the warranty as a result of a service call or repairs on equipment.

The warranty does not cover equipment damage due to:

- transport;
- neglect;
- improper use and/or not compliant with the instructions provided in the user manual;
- improper wiring.

The warranty is avoid if:

- repairs are carried out by persons not authorized by the Manufacturer;
- changes not authorized by the Manufacturer;
- use of parts and/or equipment not supplied or approved by the Manufacturer; removal or alteration of the identification plate.
